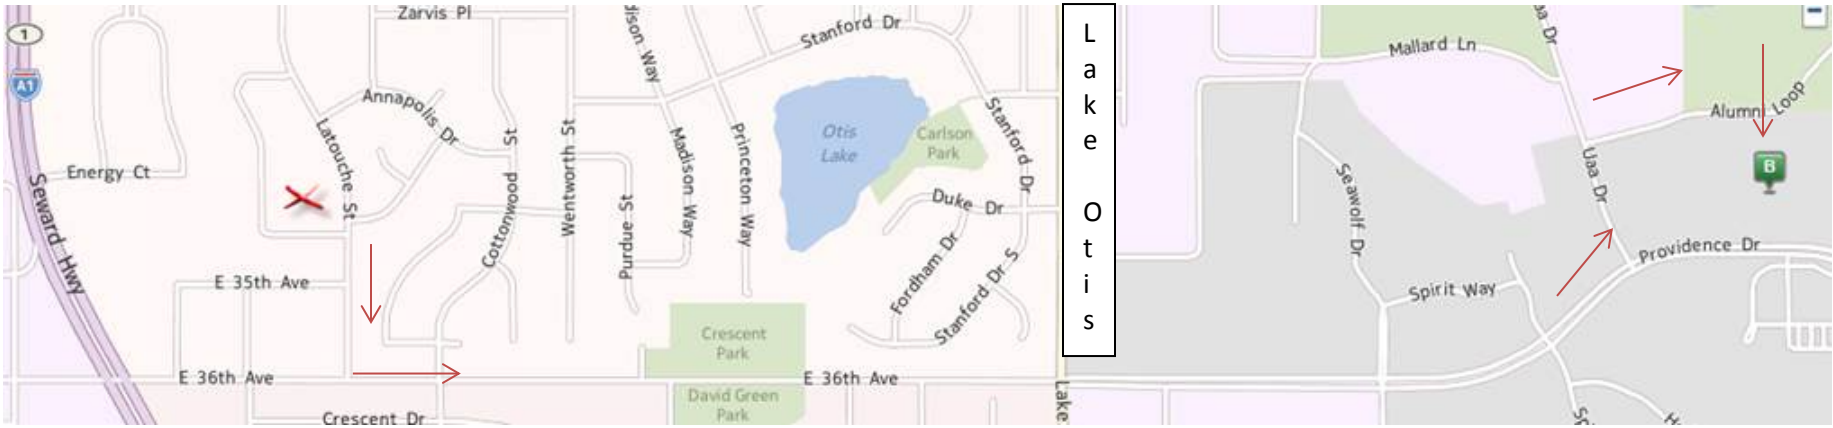
Getting from the Residence Inn to the Consortium Library at UAA

Here is a map showing the location of the Residence Inn (**red x**) and the library loading dock labeled **B**. Driving or walking directions are the same. Distance: about 1.6 miles. Five minutes by car.

- Leave the hotel parking lot and turn *right* on Latouche St.
- *Left* on E. 36th Ave. Down the hill and *cross* Lake Otis.
- You've now entered the campus. Take a *left* on UAA Dr. and a *right* on Alumni Loop.
- Take the 3rd entrance on the right, and you'll see the loading dock straight ahead.



An image from Google maps shows the lot in summer – I've put a yellow circle where the loading dock is located. You would be driving from right to left on the street in front of the parking lot.
